

The Honors Student Advisory Committee (HSAC)
Presents

An Alumni-Student Chat:

Transitioning from LaGuardia to a 4-year
College/University

What to expect?

Are you currently working on or considering transferring to a 4-year institution? If the answer is yes, then join in this conversation with alumni! This Alumni chat is an interactive opportunity during which *LaGuardia alumni will speak about their experiences at their respective 4-year college/university* to prepare current LaGuardia students for the next step of their academic journey. **Open to the LaGuardia community.**

- ✓ Network with fellow students, faculty, and alumni
- ✓ Learn about alumni's experience at their 4 year college/university
- ✓ Bring any questions you might have about the 4-year college experience. For example: *What can community college students do to better prepare for the 4-year college experience?*
